

Personal Training Position Available

Do you have a Personal Training Style that you consider to be better than most? Are you a self starter with drive and ambition? Are you an easy person to get along with?

If you answered 'yes' to the above questions then we would like to consider you to be a Personal Trainer at RYZE Personal Training.

About Us

RYZE Personal Training is an independent personal training company in its 6th year of operation. Ryze conducts a variety of sessions; 30min, 45min and 1 hour Personal Training as well as Group Fitness.

RYZE PT operates out of a Boutique Studio at Windsor on the inner north side of Brisbane. We emphasize the importance of meeting our client's needs and believe our clients and trainers are just one big family; It's a fantastic environment!

How we operate

Our personal trainers are on a contract basis guided by a performance based system. Rewarding you with the incentive that the more clients you train the more \$ you earn per session.

We encourage our personal trainers to operate within our environment like they are "running their own business, inside a business". Successful trainers treat it like it is their own business! That is, they train the clients that we provide them with, as well as having the ability to gain additional clients.

When a new Trainer starts with RYZE PT, they start with a limited number of sessions, and then we quickly work together to help market the trainer in building up with sessions. We shoot first, then aim second. We have found through experience that this provides the best environment for a new team member to grow into the culture of RYZE PT.

With this in mind, it is advised that all new PT's make themselves as available as possible in the beginning as it is not uncommon to be doing a 5:30am, 11am & 7pm PT session in the one day!

Of course, as you take on more clients, you will be able to "clump" session times.

We have a strong team philosophy and are looking for people that want to move to the top of the personal training field as part of a successful and motivated group of individuals.

We have ongoing requirements including:

- Weekly team meetings and professional development workshops
- Complimentary initial PT sessions
- Effective communication to clients and head office
- Team outings and team building events

Experience

We are looking for PT's that have had previous experience training clients. How much experience is not critical, what is critical is for you to have the willingness to learn and develop as part of a team. Of course since we start our PT's with "real life" clients, we need to guarantee that each PT is technically competent.

Qualifications

We do require our PT's to have their Certificate IV in Fitness, a current first Aid certificate, registered with Fitness Queensland and insured with appropriate Public Liability and Professional Indemnity cover.

The Personal Trainer that we are looking for needs to:

- Be self-motivated with a strong passion to learn and contribute within an expanding company
- Have a sporting or fitness background and experience with popular strength training techniques.
- Be willing to treat their position at RYZE Personal Training like it is their own business

Looking forward to hearing from you

If this is for you simply submit your CV to Emmet Hickey info@ryzept.com immediately as we need you on our team!

Kind regards,

Ryze Management Team
